

COUNCIL ON DIVERSITY & COMMUNITY SPEAKER SERIES: RENÃ A. S. ROBINSON

Wednesday, October 8, 2014

“Pathways to Science” Luncheon & Seminar

The Council on Diversity & Community Speaker Series is designed to bring distinguished speakers from various STEM disciplines to MSU to share their experiences. At the luncheon, graduate students and post docs will have an opportunity to talk informally with the speaker about her personal experiences, obstacles she’s faced and issues of work-life balance. During the seminar, Dr. Robinson will share her perspective on diversity and community with the broader MSU community. Everyone is welcome at the seminar!

Dr. Robinson is a Assistant Professor of Chemistry at the University of Pittsburgh. She earned her PhD in Analytical Chemistry at Indiana University in June 2007. As a postdoctoral fellow at the University of Kentucky, she was awarded the United Negro College Fund/Merck Research Science Postdoctoral Fellowship. She has been at the University of Pittsburgh since 2009, where her research focuses on Aging, Bioanalytical Chemistry, Ion Mobility Spectrometry, Mass Spectrometry, Proteomics.

12:30-1:30PM - Luncheon
for Graduate Students &
Post docs (Catering by Cosi)

For the luncheon, please RSVP to Faith Peterson at petersof@cns.msu.edu

1:45-2:45PM - Non-technical
seminar

Both events held in
Molecular Plant Sciences
(MPS) Room 1030.
