

ASIAN, PACIFIC ISLANDER, DESI AMERICAN/ASIAN FACULTY AND STAFF ASSOCIATION

Asian Pacific Islander Desi American/Asian Faculty, Staff and Administrators (APIDA /ASFA) are reeling from the most recent APIDA violence against our community. We mourn for the victims and all victims of hate and racism. As our country grapples with its ugly oppressive history, let us take time to remember those we lost and were forcibly taken. Let us continue the fight against racism, white supremacy, and oppression.
